

Coil Technology Corporation Coronavirus (COVID-19) Statement

Dear Valued Customer and Partners,

Due to the Novel Coronavirus (COVID-19), Coil Technology Corp (CTC) builds up a Risk Management Team to estimate the impact and states as following:

1. CTC production line locates in Taiwan and there's no impact on the capacity under current situation. All employees came back to work as planned and our factory functions normally after Chinese New Year holiday since 2020/1/30.
2. The materials in inventory are adequate, we will minimize the impact to make the confirmed PO delivered as scheduled.
3. CTC is a professional service provider for high-end power supply modules (AC to DC Converter and DC to DC Converter) for critical applications (including Industrial, Medical, Railway and Automotive...etc.) worldwide for 32 years. We welcome you to contact with us, if there is any urgent case.
4. CTC will keep monitoring the status of Coronavirus transmission to secure the deliveries and minimize the side-effect. We will proactively keep you informed, if there are any updates.

We will do everything to ensure our employees safe and deliver the best service to our customers. If there is any question and requests, please contact: sales@ctc-dc-dc.com. We will response immediately within 24 hours.

CTC wish all of you a good health, pass through successfully this critical time, and overcome together with minimum affect.
